"Professional Restoration of Classic Chevelles!"

Stage I Restoration [64-72]

1-Year, 12,000 Mile Factory Warranty!
Engine, Transmission, & Differential

Lifetime Warranty Starter, Alternator, Water-Pump, & Fuel-Pump

2-Year Warranty on Premier Paint

All **Camino Classics** Stage I Chevelles undergo tremendous care when going through our restoration process. We begin by removing all interior & exterior trim to assure a first class painted finish. We then carefully prepare the body by painstakingly removing all dings and dents. Finally we carefully hand-sand, prime & paint all surfaces including frame, engine-compartment, bed, & wheel openings. We then tune & service the engine, transmission, differential, brakes, & cooling system. Install new Life-time warranted water-pump, fuel-pump, starter, & alternator. Interior gets our white glove treatment. After final inspection, you're ready to drive your classic home.
