

EUROMASTERS 1974 CARRERA RETRO

(Stage I & II)

EUROMASTERS CLASSIC CARS is proud to announce a *"Blast-to-the-Past"* with our line of fully restored 1974 back-dated Carreras. We first carefully hand select 1978-1989 Porsches to closely imitate the classic '74 Carrera look. These cars are then completely re-finished with new suspension, paint, interior, exterior trim, engine, transmission, clutch, 16 X 6/7" color-keyed wheels & side striping and enhanced tuned exhaust system.

Be the envy of your friends when you drive home in your newly remanufactured Porsche Carrera.

Available in Coupe, Targa or Cabriolet with prices starting at just \$39,900 with EMCC Certified 5-Year/50,000 mile bumper-to-bumper Warranty!

Stage I includes:

First we select a donor car which shows no visible signs of damage and has a perfectly clean CARFAX; normally west-coast cars. Then we fully disassemble, prepare and paint to perfection our 14-coat 2-stage process using German materials. Finally, we reassemble the exterior with all new rubbers, lenses, emblems, anodized trim, tires & brakes. (Suspension parts replaced as needed). Finally, new interior; windshield, carpet, door-panels, leather seats, dash, steering-wheel rear package tray & headliner are installed and a full service tune-up follows for the completion. Note: Euromasters certifies that all mechanical parts meet new or near new specifications. All aspects of the vehicle will operate correctly and to the level as when came from the factory.

Stage II: Add \$10,000 for Rebuilt Engine, Rebuilt Transmission, New Clutch & New Suspension
