Stage I Restoration [Air Cooled]

5-Year /50,000 mile Bumper-to-Bumper Warranty!

All **EuroMasters** Stage I vehicles undergo tremendous care when going through our restoration process. We begin by removing all interior & exterior trim to assure a first class painted finish. We then carefully prepare the body by painstakingly removing all dings and dents. Finally we carefully hand-sand, prime & paint all surfaces including body, chassis, engine-compartment & trunk. We then tune & service the engine, transmission, differential, brakes, & suspension and also install a new Life-time warranted starter & alternator. We then give your interior our white glove treatment, overall final vehicle inspection and you're ready to drive your classic home.
