WARRANTY AGREEMENT

VEHICLE WARRANTY – Included at No Extra Charge

EuroMasters Classic Cars (EMCC) warrants its vehicles including parts and labor for the periods and coverages as summarized in the Buyer's Guide and window Sticker. Labor is based on the current Mitchell hourly flat-rate system at the maximum rate of \$100 per hour; parts based on the manufacturers suggested retail price. Note: All parts used for EMCC repairs are factory German

EMCC CERTIFIED PRE-OWNED VEHICLES

All EMCC Certified Pre-owned vehicles have additional advantages indicated by the following:
90-day 100% Drive-Train Warranty

EXCLUSIONS

EMCC warranties do not cover vehicle accidents, scratches, dings, dents, interior and exterior damage caused by neglect or any other occurrences relating to misuse. Further items not covered by EMCC warranties are; fluids, tune-ups, periodic service, shocks, brake-pads, clutch-disks, turbo, waste-gate, pop-off valve, worn tires, wheel balancing, alignments, paint fade, burned-out light bulbs, all rubber items including motor mounts & suspension bushings, cracked or yellowed plastic parts & vinyl or cloth tops.

REPAIR FACILITIES

Vehicles in need of warranty repair may have services performed at any repair facility in the continental United States and Canada. **An estimate must be accepted by EMCC prior to any work being started.** For your convenience, a local repair facility can be recommended by Euromasters. Customers residing in rural areas are instructed to have their local repair facilities contact EMCC for explicit repair options. EMCC also provides an immediate "Hot Spares" delivery program putting required parts into mechanics hands overnight.

I HAVE COMPLETELY READ THIS WARRANTY AGREEMENT AND UNDERSTAND ITS TERMS AND CONDITIONS. FURTHERMORE, I HAVE THOROUGHLY INSPECTED MY VEHICLE PRIOR TO DELIVERY AND FOUND IT TO BE IN SATISFACTORY CONDITION.
