

## Warranty Agreement

Camino Classics warrants its vehicle restorations for defects in materials and workmanship, including parts and labor, for the periods and coverage's as follows:

### STAGE I

1-Year or 12,000 miles, which ever comes first, on the entire drive-line including the Engine, Transmission, Differential, & Driveshaft. Lifetime Warranty, parts & labor for the Starter, Alternator, Water-Pump, & Fuel-Pump. 2-Year Warranty for paint defects limited to blistering, fading, or any weather related problems. This warranty does not cover scratches, dings, dents, or any other occurrences relating to misuse.

### STAGE II

2-Year or 24,000 miles, which ever comes first, on the entire drive-line including the Engine, Transmission, Differential, & Driveshaft. Lifetime Warranty, parts & labor for the Starter, Alternator, Water-Pump, & Fuel-Pump. 3-Year Warranty for paint defects limited to blistering, fading, or any weather related problems. This warranty does not cover scratches, dings, dents, or any other occurrences relating to misuse.

### STAGE III

3-Year or 36,000 miles, which ever comes first, on the entire drive-line including the Engine, Transmission, Differential, & Driveshaft. Lifetime Warranty, parts & labor for the Starter, Alternator, Water-Pump, & Fuel-Pump. 3-Year Warranty for paint defects limited to blistering, fading, or any weather related problems. This warranty does not cover scratches, dings, dents, or any other occurrences relating to misuse.

Vehicles in need of warranty repair must first have the Camino Classics Warranty Claim Form filled out which is obtainable from an authorized Camino Classics repair depot. If the point of purchase is more than 50 miles from your business or residence, repairs might then be authorized by a local dealer or repair shop. Ask your representative for details.

*If you have any questions, please do not hesitate to contact me.*

Sincerely,  
**John Calicchio**
